

Aire and Calder Circuit Safeguarding; 2024 Foundation Training- your attendance needed

Dear _____

Your role requires (along with 70+ others) that you refresh your safeguarding training within the next 3 months

Training has been organised to meet this need on behalf of your church and CSLO for this period. Some of you have done no previous training specific to the Methodist church and then this is even more important.

Please enrol on one of the 7 options below. (note the final listed zoom on 9/9/25 is organised by an adjacent circuit)

Further details can be posted to you, or printed, or found on

<https://www.aireandcaldercircuit.org.uk/safeguarding/training>

And this page will allow you to **book**, or if you receive this electronically, the links below are active, (control and click) or contact us as details below or maybe your safeguarding officer can help, or Heather Turner (admin) on 07731 798227.

Additionally an adjacent district has organised a zoom course on Tuesday 9th September at 6:30pm. Book via this [link](#)

The in-person training (limited to 25- book early) is at **Streethouse Methodist Church** or you might join one of these sessions on zoom.

Training will be delivered from the front via projected powerpoint (you may need distance glasses) and group work will be with a limited number of people per table (you may need reading glasses).

Parking is also available close by on street.

Refreshments will be available from 9am/ 1pm and in the break at approximately half time.

An attendance certificate will be given to you upon completion.

Any questions please ask- the booking page contains useful information about course booklets and location.

Regards

Nigel Storey (01977 644843) and Jill Tinker (01977 613063) Circuit Safeguarding Officers

25/8/25

Details of the training content and reasoning are:

This is the 2024 version of the course which is suitable for anyone who has done no training at all or who previously did foundation training and might now be due for the 4 yearly refresher
